**Summary of Legislation:** This bill prohibits smoking at a child care center or on public school property. The bill allows smoking at a public school in a ventilated room that is not accessible to students. The bill prohibits a public school from entering into a contract or an agreement to hold an official school-sponsored activity unless the part of the facility that will be used prohibits smoking. The bill also provides penalties for smoking in a facility that is used for an official school-sponsored activity when signs prohibiting smoking are conspicuously posted.

**Effective Date:** July 1, 2001.

**Explanation of State Expenditures:**

**Explanation of State Revenues:** This bill makes it a Class B infraction for a person to smoke on public school property or in part of a facility that is being used for an official school activity when signs are posted. The bill makes it a Class A infraction if a person has three prior unrelated judgements for the violations specified in the bill. If additional court cases occur, revenue to the state General Fund may increase if infraction judgments and court fees are collected. The maximum judgment for a Class B infraction is \$1,000, which is deposited in the state General Fund. The maximum judgment for a Class A infraction is \$10,000, which is deposited in the state General Fund. If court actions are filed and a judgment is entered, a court fee of \$70 would be assessed. 70% of the court fee would be deposited in the state General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court.

**Explanation of Local Expenditures:**

**Explanation of Local Revenues:** If additional court actions are filed and a judgment is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive

27% of the \$70 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
